GC School Budget Hearing Tuesday

Totals \$6,833,848, Up \$303,463; Hearing To Start At 7:30 P.M.

Adoption of a tentative budget totaling \$6,833,848 and setting of a tax levy are on the agenda of a public hearing and meeting of the Granite City board of education at 7:30 p.m. tomorrow.

The budget is \$303,463 over the \$6,530,385 of last year. The estimated tax rate will be about the same at \$2.298 per \$100 assessed valuation, or five mills higher than last year's \$2.293 rate.

The education and building fund rates will remain the same at authorized maximums.

Budget Breakdown
The new budget includes \$5,758,097 for the educational fund, an increase of \$286,881; \$950 for the building fund, up \$230; \$80,116 for the transportation fund, up \$819; and \$74,000 for the municipal retirement fund, up \$800.

Of the total, \$4,332,719 is to be raised by local taxes, or \$26.371 more than last year. Of every \$1 in the education fund only 64 cents is to be raised locally by taxes.

The budget provides for 28 additional teachers to accommodate a larger enrollment at a cost of \$152,000, salary schedule increases of \$133,000 and a \$100,000 fund for the purchase of school buses.

Bus Contract, Routes
The lengthy agenda for the meeting lists the presentation of a bus contract and bus routes, a report on school opening Sept. 3 and a proposal to rent three rooms at Mitchell Baptist Church for classes.

Reports are to be submitted on the cost of refinishing the Memorial gymnasium floor; the return of Guy LaRue, a teacher, from a leave of absence; a recommendation to continue the employment of two extra painters; employment of teachers and acceptance of two resignations.

Bids are to be opened for a new cafeteria, a duplicating machine, furniture and plumbing fixtures. Contract awards are to be made for fencing, fabric, an adding machine, kindergarten supplies and resurfacing tennis courts.

Seek Matching U. S. Funds
"We're hopeful of federal aid in the form of funds which would match those furnished by the state."

"This is a forward step for eventual acquisition of Horseshoe Lake and its development to provide much needed recreational facilities," Karandjeff added. He plans to go to Springfield shortly to confer with the governor.

The announcement from Springfield states that the 10 commission, created May 25, 1957, which made a survey and filed its findings with the General Assembly, it was indicated.

Elementary Enrollment Scheduled On Wednesday

Registration for new elementary school pupils in the Granite City school district and for all students at Sacred Heart school will be held Wednesday.

Public school children will register from 9 a.m. to 4 p.m., and Sacred Heart pupils from 9 a.m. to noon at the appropriate schools.

Registration at three parochial schools—St. Joseph's and St. Elizabeth's in Granite City and St. Mark's in Venice—was held last spring. St. Mary's in Madison held enrollment yesterday.

About 780 students are expected at Sacred Heart. Other anticipated enrollments in parochial schools are: St. Joseph's, 230; St. Elizabeth's, 510; St. Mark's, 320 and St. Mary's, 130.

All parochial schools and Granite City public schools open Sept. 3. School in the Madison and Venice school districts starts Thursday.

New pupils in the Granite City district may enroll from Friday through Monday.

Registration in Madison and Venice was held last week.

More than 19,000 students are expected this fall in the Quad-City's public and parochial schools.

Rev. Randolph And Daughter Killed In Crash

Crash Victims

Wife Hurt Seriously In Collision At Hayti, Mo.; 2 Killed In Area

A Granite City minister and his 11-year-old daughter were killed and his wife seriously injured this morning at 3:38 a.m. in a head-on, auto-truck collision near Hayti, Mo.

The dead are the Rev. Joseph Raymond Randolph, 45, pastor of City Temple for the past 14 years, and his daughter, Janice Renee. In serious condition in a Springfield, Mo., hospital is Mrs. Mildred Randolph, 43. She suffered breaks to both legs and cuts and bruises.

In Quad-City area crashes over the weekend, two persons were killed and 17 were injured in a wave of 26 traffic accidents. Killed were a Granite City Steel Co. employee from Edwardsville who was walking across 20th street Friday night, and a Fairmont City man who died in a head-on crash early Sunday on Route 111.

The Randolph accident occurred on U.S. Highway 61 as the family was driving to Memphis, Tenn., to attend a general council session of the Assemblies of God.

According to Rev. Paul Chambliss, pastor of the Sorento church, who was one of the persons to arrive at the scene of the crash, Rev. Randolph had apparently fallen asleep at the wheel and swerved into the northbound lane, into the path of a tractor-trailer truck.

The driver of the truck told Rev. Chambliss that he had sounded his horn, blinched his lights and gone off the shoulder of the road in an attempt to prevent the crash. The collision occurred on the shoulder of the northbound lane.

Randolph Car Burns
Rev. Chambliss was following close behind the Randolph car. He said that after the moment of impact the Randolph car and the truck both turned over and the Randolph car began to burn.

Mrs. Randolph, who was thrown from the car, was first taken by ambulance to the hospital in Ellis, Mo., a small town about 10 miles southwest of Caird, Ill. Doctors there decided that she would have to undergo major bone surgery, but the Ellis hospital didn't have a specialist in bone surgery. Mrs. Randolph was then taken to the Sikeston hospital, where a team of bone specialists had been alerted.

Sikeston is about 40 miles north of Ellis.

Members of congregation of the City Temple left Granite City at 6:30 this morning to arrive at St. Elizabeth's Sikeston hospital. They are Carl Fick, secretary-treasurer of the Temple; Dick McGinnis, a brother of Mrs. Randolph and a church member; and Jimmy Green, a church member.

Allen Ray Randolph, son of Rev. and Mrs. Randolph, who is studying for the ministry in Santa Cruz, Calif., is living at St. Louis to visit his mother in Sikeston and to assist in funeral arrangements.

Young Randolph, who was married Aug. 3 in California, by his father, has one more year of study in the Bethany Bible Institute in Santa Cruz.

Prior to becoming pastor of the City Temple at 1817 State street, Rev. Randolph served as pastor of a church in Metropolis, Ill., for six years. He was a graduate of the North Central Bible Institute in Springfield, Mo. The Randolphs home is at 2449 Woodlawn avenue.

Pedestrian Killed
A Granite City Steel Co. employee, Frank Robinson, 53, of Edwardsville, was pronounced dead on arrival at St. Elizabeth's Sikeston hospital Friday at 11:30 a.m., minutes after he was struck by an auto while crossing a street to the plant to report for the midnight shift.

The driver of the car was Jimmy D. Cargill, 22, of 2810 Myrtle avenue. He was charged by grand jury with negligent, reckless driving and driving under the influence of alcohol. Cargill pleaded innocent to both charges.

GC Twp. Tax Payments Top \$5,000,000; Final Tally Due

Local Granite City tax collections ended Saturday with \$5,000,000 of the city's \$6,318,638 total tax bill collected, it was reported today by Collector Ernest "Pat" Rich, who said that an official total collection figure will be announced Wednesday after all mail payments have been processed.

Rich, who expects to collect 90% of the tax bills, said that Granite City residents who failed to pay their taxes locally will have until Sept. 5 to pay them at the county treasurer's office in Edwardsville.

Friday's tax payment of more than \$1,200,000 by Granite City Steel Co. carried the collection figure over the \$5,000,000 mark.

Meeting Tuesday On Resident Doctor
Need for a resident physician at St. Elizabeth Hospital will be the topic of a meeting Tuesday evening of representatives of the Tri-City Medical Society and the Tri-City Medical Society.

The Tri-City Medical Society, at its resolution last week, adopted a resolution to ask the Tri-City Medical Society to seek state legislation requiring a resident physician at all hospitals in the state to be available for emergency cases.

Edwin Reiske, Tri-City Council president, said Saturday he was contacted by Dr. B. B. Berman, new president of the Medical Society, and arrangements were made for tomorrow evening's 8 o'clock meeting in the doctor's room at the hospital.

New Payment Date Set On Real Estate Taxes
The second installment of real estate taxes, originally due Saturday, may be paid until 5 p.m. Thursday, Sept. 5, without penalty, the Madison county treasurer's office has announced.

First installments may also be made that date with no added interest, the office said.

Mrs. Thurber Named Marriage License Clerk
Mrs. Elvira Thurber, whose office is at 1932 State street, has been appointed marriage license clerk for Granite City, according to an announcement today by County Clerk Eulalia Hottel.

Mrs. Thurber served as a justice of the peace in Granite City for a number of years until the Legislature abolished Township Justice of the Peace and created only one J.P. district in the entire county.

Village President Lauds Township For Road Work

Nameoki township's maintenance of Pontonac village streets was praised Thursday night by Village President Thomas Staloff, who reported to the trustees that the work was carried out at no expense to the village.

"We feel that the Nameoki township division of highways has done an exceptionally fine job," he said after a letter from Nameoki Road Commissioner Charles Hanks was read to the board.

The letter gave a breakdown of maintenance costs for 1962 of streets in the village. Lake drive was not included as it did not need repairs. Staloff had requested the data to determine what the future needs of the village would be for such work.

Totaling \$3542, the cost was borne by the township this year, but next year the village will be required to pay the township for the maintenance work with motor fuel tax allocations received from the state.

Workable Agreement

The arrangement between the township and the newly-incorporated village was worked out over a month ago, shortly before the village adopted its first budget. Township Supervisor Harry A. Briggs agreed that the township would continue village road maintenance since funds had already been appropriated for that purpose before the village was incorporated last fall.

A breakdown of the cost figures is as follows: 12 tons of cold patch at \$8.50 a ton, \$102; 8751 gallons of MC3 asphalt at 17 cents a gallon, \$1487.07; 275.83 net tons of rock chips at \$5.40 a net ton, \$1484.02; 16 hours use of truck and driver at \$6.25 an hour, \$100; two laborers for 16 hours at \$7.20 an hour, \$115.20; grader and operator for 16 hours at \$12.85 an hour, \$205.60; high lift for eight hours at \$5.95 an hour, \$47.60.

Village Finances

In other business at the meeting, a financial report was presented by the village treasurer, Mrs. Ruth Norton. Since the last board meeting, when the treasury contained \$212.50, the village has paid three outstanding bills—\$3.20 to Graham's book store, \$30.45 to the Tri-City Printing Co. and \$117.20 to the Press-Record.

Added to the treasury since then were \$180.80 in fines and court costs for traffic violations and a \$25 license fee, increasing the balance to \$256.45. However, the money received for court costs, amounting to \$44.80 will not be retained.

Bills approved to be paid are \$1.50 to Graham's Book Store for a rubber dater and a book of warrants and \$2.50 to James F. Chapman, recorder of deeds of Madison county for recording the village's certificate of incorporation.

It was announced by Robert Springer, head of the village building committee, that Lloyd E. Miller, recently-appointed building inspector, will resign because of other commitments. Springer was appointed by Board President Staloff to act as interim inspector, until another can be appointed. The building inspector is the enforcing officer of the month-old village building ordinance.

The next meeting of the village board will be held on Sept. 26.

Brother, Sister Meet First Time In 52 Years

Mr. and Mrs. Fred Finazzo, of 35 Moreland drive, Mitchell, returned home Saturday afternoon by train from California after attending a Finazzo family reunion at Fontana with his brothers and a sister, Mrs. Rose Lupo, who arrived from Sicily. It was the first time Finazzo had seen his sister in 52 years.

Mrs. Lupo returned with them and will visit the Finazzos until January when she will return to California enroute home. Mr. Finazzo, also a native of Italy, is employed by the Nickel Plate railroad.

Mrs. Greathouse Dies Today: Life Resident

Mrs. Edith A. Greathouse, 83, of 1630 Delmar avenue, widow of Joseph W. Greathouse, former Granite City alderman for 16 years, died unexpectedly at 9 a.m. today at her home.

Her son-in-law, Robert R. Paterson, 1632 Delmar avenue, also a former city council member from the First Ward, passed away Aug. 6.

Mrs. Greathouse, a lifelong Quad-City resident who was born in the Nameoki area, had been in good health. She reported slight illness during the past two weeks but did not consult a physician. It is believed today's sudden attack may have been a cerebral hemorrhage.

She had been affiliated with Democratic organizations until recent years, and had remained active in the Granite City chapter of the Royal Neighbors of America. She also was a member of the Golden Circle which meets at Kirkpatrick Homes.

She resided with a grandson, Douglas Greathouse, at the 1630

Miss Morlock, Hall Virgil
Wed At St. John Church

Miss Diana Morlock, whose parents are Mr. and Mrs. Earl Morlock, 2301 St. Bernard avenue, and Hall Virgil of Dalton, Ill., were married at 6 p.m. Saturday at St. John United Church of Christ on N. Second road.

Rev. Paul Surbey performed the ceremony before the altar adorned with bouquets of white flowers. The soloist, Mrs. Valerie Stevens, accompanied at the organ by Mrs. Isabel Schmidt, sang "O Perfect Love" and the Lord's Prayer.

Attendants for the bride were Miss Suzanne Constant of Joliet, Ill., a former college roommate, maid of honor, Miss Donna Virgil, the bridegroom's sister, and Miss Virginia Galup of Belleville, another college classmate, bridesmaids, and little Kandy Stone of St. Louis, flower girl. Cameron Carlson, Ron Reicher, and Al Wicks, groomsmen and ushers, were from Chicago. The bride's brother, Billy Morlock, served as junior groomsmen.

For her wedding the bride chose a gown of imported Chantilly lace of classic styling. The

sabine neckline was scalloped and etched with iridescent sequins and seed pearls. A molded bodice was designed with long sleeves and the bouffant skirt was worn over a hoop. The front had scalloped edging and detailed down the back were alternate tiers of lace and crystal pleated tulle which cascaded into a train. A matching jeweled coronet was attached to a melody length veil of French illusion and the bridal bouquet, a cascade, was fashioned of white orchids and stephanotis.

The honor attendant and bridesmaids wore ball-length dresses of satin with bateau necklines and elbow-length sleeves. The bell-shaped skirts had self bows inserted at the waistlines at the back, and completing the costumes were matching bandeaux and circular face veils. The honor attendant was in seafoam green with a bouquet of yellow roses, stephanotis and coral ribbon, while the other attendants wore coralberry and carried Tropicana roses, stephanotis and coral ribbon.

The flower girl, dressed in a short white lace frock with a bow in her hair, carried a basket of rose petals. For the wedding Mrs. Morlock selected a mauve pink sheath dress of silk organza over taffeta and a corsage of mauve orchids.

Following the service in the sanctuary a reception was held in the church hall and the couple left later for a honeymoon in Boston, Mass. They will return in time to resume their studies Sept. 3 at the University of Illinois where both will be seniors.

Another in the long list of late summer weddings taking place over the weekend was that of Miss Barbara Misselhorn, a daughter of Mr. and Mrs. Albert Misselhorn, 2809 Grand avenue, and Clarence Boley, son of Mrs. Capitola Boley of Belleville. The place was Concordia Lutheran Church and the pastor Rev. Alfred Buh, pastor of Hope Lutheran Church, the service was read at 6 o'clock and the reception following was held in the church hall, adjacent to the church.

Miss Marjorie Misselhorn was her sister's only attendant, and Kenneth Adams was groomsmen. Two ushers, Kenneth Misselhorn and Warren Markel, seated the guests.

A gown of Chantilly lace over net was worn by the bride. It had a high neckline, long sleeves and a chapel train. The finger veil was attached to a crown of pearls and the bride's bouquet was made up of orchids and stephanotis. She was given in marriage by her father. Her sister was attired in a green chiffon dress with a darker green summerband. The sleeves were short and the skirt was street-length. She carried yellow carnations.

The bride graduated from Jewish Hospital School of Nursing in 1961. She is now a member of the nursing staff at St. Elizabeth Hospital. The bridegroom is employed in East St. Louis.

Simani-Frohardt Nuptials At Niedringhaus Methodist

Miss Mary Elizabeth Frohardt, daughter of Mr. and Mrs. Ralph E. Frohardt, 2445 State street, became the bride of Dr. Rahmat Olla Simani, a son of Mrs. Salia Simani of Iran, and the late Mr. Simani, Saturday afternoon at Niedringhaus Memorial Methodist Church.

Rev. R. Paul Sims performed the ceremony at 2 o'clock and a reception was held directly afterward in Wesley Hall of the church.

Mrs. Russell West presided at the organ and accompanied Mrs. Richard Branding, the former Miss June Nightwine, as she sang "Because" and "With This Ring I Thee Wed."

Mr. Frohardt gave his daughter in marriage. She wore a peau de sole gown with a bateau neckline enhanced with beaded Chantilly lace. The sleeves were long and tapered and the controlled skirt adorned with lace motifs and a bow at the back, swept into a graceful train. Her crown of seed pearls and sequins was secured to an imported silk illusion veil. She carried a cascade bouquet of roses and ivy.

Others present to whom the hostess served refreshments were Mrs. Loreta Hurry, another guest, Mrs. Grace Range, and Mrs. Libbie Lombardi.

The next meeting of the group will be with Mrs. Margaret Richardson, 2039 State street.

ARTISTS GUILD HOLDS MEETING The Artists Guild met Thursday evening in the home of Mrs. Leola Fasching on East 24th street.

Those attending were Mesdames Joyce Glasgow, Josephine Law, Barbara Briggs, Helen Paschke, Pat Skinner, and Mary Hutchins, Arthur Williams and Elmer Broomfield. The evening was devoted to still life study.

Double Wedding Ceremony Held Saturday For Sisters-LaVerna And Betty Jo Grote

Candles in the sanctuary and Betty Jo Grote became the bride of John F. Haug, whose parents are Mr. and Mrs. Charles Haug, 2415 Logan avenue.

The altar held an arrangement of daisies, interspersed with greenery and flanked at either side by burning candles in seven-branched wrought iron candlesticks. Double standards holding candles burned in the aisles of the church through which the procession passed. Miss LaVerna Grote escorted by her father, James Grote.

Mrs. Isabel Schmidt presided at the organ and Mrs. Paul T. Wood Jr., soloist, sang "Because." "Bless This House" and the Lord's Prayer.

The brides chose the same style gowns. They were full length and made of imported French Chantilly-type lace and organza. Designed in pure white, the lace bodices were cut with sabrina necklines encrusted sequins and pearls. Traditional long sleeves, ending in points at the hands, were set into the bodices. The dome shaped skirts were embellished with large sequin-embroidered lace and scattered throughout and the carriage backs terminated in cathedral trains. Pearl and sequined jeweled crowns secured their bouffant veils of silk illusion. Both held bouquets of white pom poms touched with blue and centered with white cymatias orchids.

The bridesmaids, like the brides, were dressed in identical gowns of radiant aqua peau satin. The short skirts were made on sheath lines with long tapered sleeves and full length overskirts worn to effect floor-length skirts. Headpieces, attuned to match the gowns and they carried elongated bouquets of white Fuji mums touched with blue and blue tulle.

The attendants for Miss LaVerna Grote and Mr. Corbett were Miss Sue Moye and Richard Franklin, with Jo Ellen Corbett and Billy Corbett as flower girl and ring bearer.

Attendants for Miss Betty Jo and Mr. Haug were Mrs. Emory Hall and Charles Haug, the bridegroom's brother, matriarch of honor and best man, and Tammy and Timmy Haug, a niece and nephew, flower girl and ring bearer.

Serving as ushers for both couples were Robert Haug, Norman Grote, a cousin of the brides, George Sykes and Dewey Melton.

The little flower girls were dressed in white silk organza and lace frocks with blue and white flowered headpieces. They carried white baskets filled with pink petals. Mrs. Grote was attired in a beige silk sheath and beige accessories. Mrs. Haug selected a blue brocade dress and matching accessories, while Mrs. Corbett chose a light pink sheath of lace over taffeta, a pink hat and black accessories. All wore orchid corsages.

A reception was held in the church basement directly after the service. Mr. and Mrs. Corbett plan to reside at 2817 Cayuga street. A graduate of the local schools, she received her degree

MRS. RAHMAT O. SIMANI, who was Mary Elizabeth Frohardt, a daughter of Mr. and Mrs. Ralph Frohardt, 2445 State street, before her marriage Saturday afternoon at Niedringhaus Memorial Methodist Church.

WILL VACATION IN EAST Alderwoman Mrs. Gabrielle Betine, 2814 Madison avenue, will leave Wednesday for a week's vacation in New York City. She will be accompanied by her niece, Miss Carol Ann Schutte, a sophomore at Mater Dei high school in Brescia, Ill., and Teresa Marzull, 2924 Washington avenue.

Sacred Heart Is Scene Of McDowell-Skubish Wedding

Miss Jeanette Skubish, a daughter of Sixth Ward Alderman and Mrs. Casmer Skubish, 2701 Lincoln avenue, and William M. McDowell, son of Mrs. Virginia McDowell, 3408 Nameoki road, and the late Wilmer McDowell, were married Saturday at Sacred Heart Catholic Church.

Bouquets of white chrysanthemums and pom-poms, together with emerald arrangements, decorated the church for the 10 o'clock ceremony performed by the Rev. Daniel Yusk.

Escorted by her father, the bride wore a gown of silk organza over taffeta. It was designed with a scoop neckline and short sleeves. The domed skirt was accented with reembodyered Alencon lace motifs. A detachable train was held at the waistline with small bows and a small pill-box type hat secured the tiered bridal veil of French illusion. Moth orchids and stephanotis were combined in the brides bouquet.

Miss Donna Ward, maid of honor, and Misses Kathleen Okai, and Patricia Skubish, cousins of the bride, Judy Vandaveor, a cousin of the bridegroom, and Patricia Zipfel, bridesmaids, were identically gowned in Romance blue taffeta.

The dresses had square necks, elbow-length sleeves and long sheath skirts paneled over brocade. Blue headpieces and tiny veils completed their costumes. The honor attendant carried a

colonial bouquet of purple asters and pink sweetheart roses, while the bridesmaids held bouquets of purple asters.

A little flower girl, Victoria Levantino, another cousin of the bride, dressed like the older girls, carried a basket of flowers and petals. John Vandaveor, cousin of the bridegroom, served as ring bearer.

Thomas Skubish, the bride's brother, was best man, and John Skubish, another brother, Roy Logan, Frank Rioux, of Chicago, and Robert Roberts were groomsmen, serving with ushers, Larry Todoroff and David Painter, cousins of the bride and groom, and Don Mega.

The bride's mother wore a simple sheath of blue organza, while the bridegroom's mother selected a light pink lace dress over taffeta. Both had white orchid corsages.

The wedding breakfast and evening reception were held at the Polish Hall in Madison.

Mr. and Mrs. McDowell are honeymooning in Biloxi, Miss. Upon their return Sept. 9 they will go to Peoria, Ill., for the winter. Both are beginning their senior years at Bradley University. He is majoring in chemistry and his bride in home economics.

Both young people are 1960 graduates of the Granite City high school.

Alt-Wood Beats Park District 2-0 In State Finals

GC Runner-Up For 2nd Straight Year As Lamb Loses Title Duel To Rappe

Ain't it ironic?

The Alt-Wood Merchants, handled easily over the past two months by the Granite City park district softball club, rose up at Godfrey to beat their old nemesis 2-0 and win the Illinois Amateur Softball Association Class "A" title before a packed house at the Onizel Club grounds last night.

The Merchants, who had been blanked by the park district in the finals of the ASA sectional at Caseyville, rode the pitching of Rip Rappe to the state championship as Granite City finished as the Illinois runnerup for the second straight season.

Besten in the 1962 finals by Peoria Palmer House, the park district had eliminated the defending champions in a Saturday night semifinal contest, 3-1, while Alt-Wood had blanked the She Kat Club, also of Peoria, 6-0, to reach last night's title contest.

Unearned Run

The state champs, who will play the Indiana state winners in the first round of the West-Central ASA regional at Aurora Saturday morning, got all the edge they needed with an unearned run in the second inning last night.

Catcher Leto Metz tagged a Howie Lamb pitch for a leadoff double and scored from second with one out when Lamb fielded Russ Davis' bunt and threw wild-past first for an error.

Davis was cut down trying to go to third on a perfect throw from right fielder Marv Brokaw, but the damage was done. John Boverie and Rappe hit back-to-back singles for the Merchants in the third and moved to second and third on Glen Wintner's bunt. Buddy Noll laid down a perfect sacrifice and Boverie scored the second run from third.

One Serious Threat

The park's only serious threat against Rappe, who was named the tournament's most valuable player, came in the fourth.

With one out, Dan Reilly and Babe Champion scratched infield hits. One out later, Davis could not handle Jack Scarborough's hopper at third, and the bases were loaded.

Rappe got two strikes on Brokaw, and the park outfielder fouled off six straight pitches before flying out to left field to end the inning.

Reilly, who had flown to Kansas City, taken part in a wedding and flown back Sunday in time to play, singled in the fifth inning when an error by Babe Champion and two walks, one of them intentional, loaded the bases with two out. But Lamb got Davis on a fly to center on which Reilly made a fine running catch near the barrier.

Lamb smashed a drive to deep right to lead off the park fifth, and Wayne Simpson took away at least a double with a good leaping catch when it appeared the ball would get over his head.

Both teams had four hits, but it was Rappe, who had hurled a

perfect game the previous evening, who pitched the Merchants to the title, his fourth straight in tournament play at Godfrey.

Six Granite City players were among 13 named to the all-tournament team, which was announced just prior to the presentation of trophies.

Included were Lamb, Brockaw, Champion, catcher Ron Dillard, second baseman Jim Bain and shortstop Harold Royer.

Rappe and Palmer House pitcher Bob Nabb were on the list, too, together with Leo Metz of Alt-Wood, Bill Watkins of the Alton Chiefs, Gene Morse and Don Van Scoyoc of Palmer House and Chuck Thome of She Kat Club.

Saturday night's tense duel between the park and Palmer House, a 2-0 winner over GC in last year's finals, was decided on Dillard's two-run homer in the fifth.

Struck Ended At 56

Lamb, who had pitched 36 consecutive innings of scoreless softball, 42 of them in tournament play, finally had the string broken in the last of the fifth when Van Scoyoc homered over the left field fence for Palmer House's only run.

Granite City had scored a single run in the second on Royer's single and follow-up base hit through the middle by Jack Scarborough.

The ball was bobbled in centerfield, and Royer did not break stride as he kept coming to score from first base.

Dillard, who kept the opposing infielders on their toes throughout the tourney with his successful bunting, unloaded with two outs in the fifth after Brokaw had singled to center. The previous inning, Dillard had been decked by a foul tip off P. L. Garrison's bat, and for a few moments it looked as though he could not continue behind the plate.

Bain Homers

A home run was the big blow in favor of the park district on Friday night, too. Bain pounded an inside-the-park job in the fifth inning against Hymnbaugh Motors of Pekin, with Dillard aboard with a bunt single.

That quarterfinal game ended 3-0 in favor of Granite City, with Lamb coming within three outs of pitching a no-hitter. He had baffled the Pekin club until Merle West singled to center to lead off the seventh. West was later cut down in a double play.

The tourney's only triple play was turned in by losing She Kat Club against Alt-Wood Saturday evening, but it was just an interesting statistic, since the Merchants carried a 6-0 lead at the time.

Rappe was on his way to a perfect game. He faced only

Mercer Defeats Carpenter, Troy Dims Hearts Playoff Hopes In Sunday I-C Play

The Troy Redbirds just about snuffed out any faint hopes Sacred Heart might have had for getting into the post-season Inter-City Baseball league playoffs yesterday with a 3-1 win at Troy.

Mercer Funeral Home, the other I-C entry from Granite City, got the long ball again to remain very much in the running with a 5-1 decision over Carpenter at Wilson Park.

Again, third-place Mercer was unable to gain ground on two teams ahead of it in the Blue division. Leader St. Clair Heating of East St. Louis moved to within one victory of the loop title with an easy 10-3 victory over Collinsville, while second-place Pochontas cruised to a 12-2 win against the Alt-Wood Flyers.

Moose Lodge, leading the Red division, came up with a 12-1 breather against Maryville to complete yesterday's action and boost its margin over second-place Maryville to 3½ games.

Mercer, 11-5 with six games remaining on its schedule, got a leadoff home run from Rich Branding in the second inning and a two-run round-tripper off the bat of Bob Jones in the eighth as the team beat Carpenter and Jim Blackledge.

Terry French's home run, a single by Charles Johannigmeier

got the first Mercer run home in the opening inning. Jack Parker doubled and rode home on Branding's ace in the sixth to account for the other scoring.

Bob Vetter picked up the pitching victory, with Terry Kofahl hurling the final three innings for the winners. Carpenter's only run was scored in the sixth by Rich Dressendorfer, who singled, moved to third on an infield error and wild pitch and scored on a base hit by Ron Thomas.

Mike McFarland did all the damage for Troy in its win over the Hearts. He drove in the Redbirds' first two runs in the first inning with a bases-loaded single off John Raines and then singled again in the third with runners at first and second to plate the third run.

Sacred Heart managed just two hits off winner Don Cocker, scoring its only run in the third without benefit of a sacrifice.

Walks to Steve Schardan and Rains were followed by a ground ball by Frank Hidge. Rains was forced at second, but Schardan scored when the Redbird infield missed on a double play try at first base.

Jack Buente took over for Rains in the eighth. Troy had five hits.

Park Commissioners Will Hear Rink Site Recommendations Wednesday

Discussion of the location in Wilson Park of an artificial ice skating rink and the terms of purchase of the rink components will be the chief items of business at the meeting when Granite City park district commissioners meet Wednesday at 7 p.m.

The commissioners will hear the recommendations of Polaris Corp. representative Joseph J. Lewen, as to possible locations for the 50x100 foot rink.

Two Spots Considered

Lewen will come here in advance of Wednesday's meeting to tour the park and not likely locations for installation. Two spots being considered are the low-lying area near the junction of Benson street and Fehling road, which has been flooded for ice skating in recent winters, and a section of the park just north of the new main concession stand near a present fenced-in playground.

If plans for the rink are finalized along present financial estimates, total cost of all equipment and installation will be about \$35,000.

That figure includes \$18,141 to be paid to Larry Carrier, owner of the two-year-old rink located at Bristol, Tenn., from which the park will purchase major refrigeration components,

300 pairs of ice skates, a skate sharpener and ice planer; \$37,449 for 15,000 feet of 3½-inch plastic piping through which brine will be pumped to freeze the rink, wooden and metal supports and spacers for the rink, including installation; and \$11,987 for complete installation of the rink.

The park district would supply a six-inch sand fill rink base, concrete blocks, electrical connections and do leveling and grading work.

\$1000 Down Payment

Under a pending agreement

with Carrier, the park would make a \$1000 down payment on the \$18,141 purchase price, then make 28 payments of \$500 each and 12 payments of \$262, all over a period of three years. The district would assume Carrier's loan from the General Electric Co.

The \$11,987 installation and adjustment costs call for a 25% down payment, another 35% during construction and the final 10% upon completion, which would be marked with the freezing of the first sheet of ice for skating.

Park commissioners, who will be meeting in regular session at the park office, are pointing toward a late fall opening of the rink if technicalities leading up to the actual purchase and installation agreements can be ironed out this month.

Madison Bowl Wins Berth In State 'B' Tourney

Tops Union Starch In Regional Final Here On Thursday

Bill "Satch" Page picked up both pitching victories Thursday night as Madison Bowl scored double victories in the ASA Class "B" softball regional at Wilson Park and won itself a slot in this week's "B" state tourney at Macomb.

Page shut out Granite City Steel Credit Union on six hits 7-0, in a semifinal game Thursday, then came right back to pitch a two-hit, 4-1 victory over the Starch in the title game.

The Starchmen had moved into the final with a 6-1 victory over the title game, winning six hits to score all their runs against the Classic "B" division champions in one inning.

Madison Bowl managed only three hits off two Union Starch pitchers, Jack Fisher and Marv Slinger, but took advantage of starter Fisher's first inning wild-

ness to go ahead 1-0 on two walks plus a double steal executed by Bill Duncan and Bob Jones.

Three more free passes off Slinger, Joe Linhart's double and Page's sacrifice bunt made it 3-0 in the third. The Starchmen counted their only run in the third when Fisher tripled to center and scored on an outfield error.

Linhart walked and moved to third on two wild pitches, from where he scored the winners' final run in the sixth on Page's sacrifice fly.

Linda McCollegen Wins Two Diving Events

Seventeen-year-old Linda McCollegen of Granite City, diving for the Webster Groves swim club, won both one and three-meter board competition in her class yesterday at the annual Webster Groves open meet.

Miss McCollegen totaled 20.1 points in the one-meter competition for girls 15 and over, and was first in the 15-17 girls' three-meter competition with 236.6.

Madison Bowl's fourth inning explosion against the Credit Union included Linhart's two-run single, a run-scoring triple by Duncan and Bob Page's double in a seven-hit, six-run frame which broke a scoreless tie. Two Credit Union runners had been forced at the plate in the second inning as Page escaped early trouble.

The Starchmen also broke up their semifinal game with Slinger and Baptist behind a six-run fourth inning outburst. Two-run triples by Fisher and Don O'Sha were the big blows. Sam Man-

oogian and John Kipp drove in the other runs with singles.

Fisher stopped the Baptists cold until the seventh, when singles by Ray Watson and Dewey Melton, a walk and Glen Moore's fly ball plated the losers' only run.

Saturday Game At Macomb

Madison Bowl has drawn a first round bye in the state tourney at Macomb, and won't play its first game until 5:30 p.m. Saturday when it is to meet the winner of an opening round game between Peoria and Strasburg regional survivors.

snacked homers for Cedar View. Kenny Carr was the loser.

Howell, Carr and Jim Black each hit for the circuit in Cedar View's first round win over Community Heights, with Black's three-run shot climaxed the winner's eighth inning rally. Carr got the win in this game, with Jim Carr the loser.

McMurry blanked the Methodists on six hits in the first round, and Konovich found the range again with a homer to highlight St. Mary's five-run fifth inning. Serwatka also hit one out of the park for the winners.

HIT OUT DRILLS, designed to sharpen linemen's timing and techniques, are part of daily schedule for the Warriors, who have less than three weeks remaining before opening of the season in East St. Louis with Assumption high school. Here Joe Hauptman slams into the blocking sled from his end position.

Warriors Are Quick In Picking Up New Multiple Offense; Curry Hurt

If the casual observer at Granite City high school's football practices is seen to scratch his head now and then while watching the club scrimmage, it is understandable.

Already pounding pads at full speed in their scrimmage sessions, the Warriors are running a multiple offense like nothing seen here before.

It is first year coach Jim Morrison's "baby," a la Dave Puddington of Washington University, and the Warriors have snapped it up hungrily.

"Basically, it's a college-type offense, with several adjustments thrown in to bring it to the high school level," says Morrison. "And you can say that the coaching staff is extremely pleased with the way the boys got the hang of it so quickly."

In four days (eight practices) we've installed an entire offense—16 plays from eight formations. And, as we progress, there'll be variations on the basic plays thrown in."

Morrison and assistants Gordy Galbreath, Ken Burckhardt, Le-on Chappeal and Stan Weich, are satisfied with the speed with which GCHS team candidates have picked up their new of-

fense. "It's an indication of their intelligence," the former associate coach at Washington University said.

Defense Wednesday

Two-day practices are continuing, and the stress will be on smoothing out the offense—until Wednesday—when players and coaching staff will begin to dwell seriously on defense, particularly on ways and means of stopping Assumption's Pioneers, Granite's opening game opponent at Parsons Field on Saturday afternoon, Sept. 14.

One unhappy note was registered in the Warrior camp late last week. Not blessed with a sufficient number of experienced interior linemen when practice began, Granite City lost 209-pound tackle Larry Curry for the season when Curry aggravated a back condition during Friday morning calisthenics.

Curry was admitted to Barnes Hospital for treatment of what doctors called a "spongy condition" in the lower lumbar area, the same condition which kept him sidelined for part of last season. He had been given medical clearance to play this fall.

A few minor bruises and mus-

cle strains were the only other squad injuries reported by Morrison, who said the club reported for its first week of formal practice in good physical shape.

Without getting into personalities, competition for starting positions three weeks before the opening game is keen, to say the least.

So keen, in fact, that the "four deep" offensive lineup board often shows changes from one practice to the other in a single day.

"It's posted in the coaching room window facing the locker rooms, and is the first place the kids head for when they come in to dress," Morrison said. Next week a similar "four deep" board will be drawn up for defensive units.

One of the interested "spectators" at GCHS practice sessions has been a woman, Morrison's wife of one year, Betty. "She's actually more than a spectator," Jim said. "She's like another member of the coaching staff. Types up all our statistics and scouting reports, and can even do some scouting on her own."

Mrs. Morrison is a Phi Beta Kappa physical education major.

EASY GOING. The holes were big and the tackling dummies soft for Madison backs in a "walk through" scrimmage session Friday. Halfback Mike Konich cuts through a wide off-tackle gap here at the Trojans' familiarize themselves with offensive plays.

Labor Day Practice?

Trojans Strong Up The Middle, But Are Short Experienced Backs, Ends

Although his variety team candidates don't exactly blot out the sun on the practice field—at last count, there were 40—Madison high school football Coach Glen Pickering feels he has the makings of a fair football team this fall.

"That's as far as interior linemen go," Pickering was quick to add. "To put it mildly, we're hurting when you start talking about backs and ends."

"Pick" has two-year letterman Gary Skinner at quarterback, 149-pound senior Lester White at one halfback and perhaps Mike Konich, who played in the defensive backfield most of the 1962 season, around which to gear his offense this year.

No Lettermen At End

From there on, the Trojan backs look to be as green as the uniforms worn by the MHS team. And there is not an end among nine returning lettermen. The only fullback listed on the MHS roster is sophomore Paul Lusk, who will be trying to fill the shoes alternately shared last year by Terry Andrews and Eugene Brown.

"While other clubs are talking about three and four deep alignments in the backfield, we're not even one deep there," Pickering says.

Up front, it may be a different story. Junior twin brothers Tom and Jack Miller and senior Harry Harrell should be battling for starting guard positions, and two senior stalwarts, John One-sky and Ted Nizinski will have to be beaten out of tackle spots. Bob Clifton, a 160-pound junior, was the club's regular center last year.

Six-foot, 170-pound Altan Rendell, a sophomore, and 184-pound Casimir Krakowicki, a junior, hold the lead over prospects, which are for the most part light and inexperienced.

"Hayes Wright, whose track speed we could have used at end, and Cecil Bell, who came out as a sophomore but laid off football last year in favor of basketball and could have helped out in our backfield, decided to pass it up this fall," Pickering revealed.

The MHS coach, beginning his

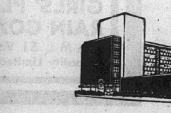

fourth year with the Trojans, and assistant coach Joe Asperger, agreed after Saturday's morning and afternoon workouts that the club probably won't get a holiday next Monday, Labor Day.

Two-day sessions will continue at Madison until school takes up Thursday. Then the Trojans will revert to an after-school practice schedule in preparation for their Sept. 13 opener at home with Edwardsville.

Practice Games

Full-scale scrimmages are not in sight in the immediate future, but we will scrimmage a full practice game before the season starts, probably the Saturday night before our first game," Pickering added.

Pickering had sophomore Tom Williams quarterbacking the second unit in late week practices. In a divided practice segments, Asperger was handling linemen in one-on-one and two-on-one blocking practice while the Trojan backs worked on signal drills and play familiarization with Pickering.

St. Mark's Church Scene Of Beck-Koelker Nuptials

At St. Mark's Catholic Church in Venice was solemnized the marriage Saturday morning of Miss Helen Koelker, a daughter of Mr. and Mrs. Edward Koelker, 430 Lincoln avenue, Venice, and Richard Beck, a son of Mr. and Mrs. John Beck of Freeport, Ill.

Rev. Helwick Krewitt, O.F.M. of St. Louis, performed the ceremony at 10 o'clock Mass, before the altar decorated with white gladioli, Majestic daisies and palms.

The bride, escorted by her father, wore a gown of imported handwoven Chantilly lace, a sabrina neckline and long tapered sleeves. The bodice was embroidered with pearls and sequins and the skirt swept into a chapel train. An orange blossom crown held in place a fingertip veil. Her bouquet was composed of white roses and white orchids.

Miss Charlotte Koelker, the bride's sister, was maid of honor, and Mrs. Mary Jo Kalka, another sister, and Miss Sharon Howard and Miss Bernice Koelker, cousins, served as bridesmaids. They wore gowns of chiffon over taffeta with

full skirts. Cumberbunds encircled the waists and they wore headpieces and veils to match the dresses which were pink, American Beauty, mint green and blue. Their cascade bouquets were of carnations in contrasting shades.

Little Tina Rotter the bride's cousin and Danny Elbery served as flower girl and ring bearer. The former wore a floor-length dress of white chiffon over taffeta trimmed with roses at the hem and a rose headpiece. She carried a bouquet of pink tulips and pink sweetheart roses.

The bride's mother was in an aqua silk dress, with white accessories and a corsage of purple orchids.

Wedding music was furnished by Miss Mary Margaret Caruso, organist, and Mrs. Lloyd Boyd, vocalist.

The wedding breakfast and reception were held after the ceremony at The Smorgasbord. After a honeymoon trip the couple will live at 1038 Third street, Venice.

Miss Proffitt Is Honoree

Another of the autumn brides-to-be honored was Miss Jean Proffitt, who will be married Oct. 5 to Tom Brilick. She was complimented Sunday afternoon at a personal shower given by Miss Brenda Margolin, Miss Sue Valencia, Miss Joan Cell and Miss Nancy Turpenoff, who are to be in the wedding party.

The party was held at the Turpenoff home, 2537 State street. Pink roses and pink and white umbrellas were used in the decorative scheme and a large cake topped with an umbrella holding pink roses centered the table. Favors were small umbrellas.

The hostesses were assisted by Mrs. Irene Turpenoff. Other attending beside the bride and her mother, Mrs. Randall Proffitt, were Misses Eleanor Cell, Sandy Ryan, Connie O'Guin, Marilyn O'Neil, Tina Marie Gitchoff and Mesdames Vivian Gitchoff, Helen Tanoff, Mary Bridick, Pat Takmajian, Barbara Krupp, Dana Richey, and Carol Kinder.

Refreshments were served buffet style and prizes were awarded to Misses Valencia and Ryan and Mrs. Kinder.

ed to Misses Valencia and Ryan and Mrs. Kinder.

Party Honors Miss Singleton

Miss Joanne Singleton, who will be married to Dennis Reed, was guest of honor Sunday at a pre-wedding party and shower given at her home, 2747 Sunset drive, by Mrs. Gloria Morris and Miss Janet Morris, who are to be bridesmaids at the wedding Nov. 23. Pink and white were the colors used, together with wedding bells.

Present were Misses Linda Polette, Shari Polette, Bobbie Prazma, Sue Smith, Gay Mueller and Susie Artz; Mesdames Linda Ballentine, Irene Singleton and Vivian Polette.

Refreshments were served and prizes were awarded to the Misses Polette, Mueller and Artz.

FORMER RESIDENTS HERE

Mr. and Mrs. James Stoffer and sons, Michael, Stephen, Danny and Patrick, of Greeley, Colo., have arrived in Granite City for a visit of several weeks with Mrs. Stoffer's parents, Mr. and Mrs. Joe Michels, 2862 Iowa street, and other relatives.

SURPRISE PARTY

Mrs. Dallas Cluts was guest of honor Friday evening at a surprise birthday party at the home of Mr. and Mrs. John Leathman, 2832 State street, given by Marine Sgt. and Mrs. Raymond Cluts and their family of Cherry Point, N. C., who have been visiting here.

Others present besides the honoree and Mr. Cluts were Mr. and Mrs. Robert Pope and sons, Mrs. Janet Teller and children, Mrs. Lingel, Mrs. Lorraine Cluts and daughter, Mr. and Mrs. Leatherman and their family and Larry Wortham.

A late supper was served buffet style from a table holding a large birthday cake.

ROY HILLS CELEBRATE SILVER ANNIVERSARY

The silver wedding anniversary of Mr. and Mrs. Roy Hill Jr., 1638 Fifth street, was observed Saturday evening in the service rooms of the First Presbyterian Church of Madison. The couple was married in Granite City Aug. 24, 1938.

Mrs. Harold Zumsteg of St. Louis, a sister of Mrs. Hill, and Bruce Hill of Miami, Fla., brother of Roy Hill, served as maid of honor and best man for the couple 25 years ago and were guests for the observance.

Arrangements for the celebration was made by members of their families. The service rooms of the church were appropriately decorated with white and silver bells and streamers.

"Happy Anniversary" was suspended from streamers over the gift table, which held a number of silver gifts, silver trays and a silver tea service. A display of white towels resembling a wedding cake served as centerpiece. Fresh flowers and candles were on each table.

Mrs. Sam Platt and Mrs. Charles Roworth, sisters of Roy Hill, and his sister-in-law, Mrs. Bruce Hill, presided over the guest book and the coffee and tea service. The buffet supper was held between the hours of six and nine, with approximately 200 attending.

Out-of-town guests included Mr. and Mrs. Bruce Hill of Florida, Mr. and Mrs. Robert Franklin of Bridgeton, Mo., Mr. and Mrs. Alex Ours of East Alton, Mr. and Mrs. Howard Carson, Troy, Ill., Mrs. Blanche Sandler, Miss Elizabeth Stephenson, Mr. and Mrs. Harold Zumsteg, Mr. and Mrs. James Zumsteg and Mr. and Mrs. John Hanrahan of St. Louis and Mr. and Mrs. Thomas Dutton, Mr. and Mrs. Robert Weidelt and family and Mr. and Mrs. Al Isenmann of East St. Louis.

The Joy Bell Choir of the First Presbyterian Church played several selections during the evening.

Mrs. Hill wore a white orchid corsage while her attendant wore a corsage of white roses.

HERE FROM WEST
Mr. and Mrs. Al Darnal had as guest last week Mrs. Margaret Lee of Los Angeles, Calif. She was here to attend the funeral of Mrs. Anna Goodlook of Glen Carbon, Ill., a sister of Mrs. Lee and Mr. Darnal.

Mrs. Minnie Clay was hostess to the Thursday afternoon Neighborhood club in her home, 1622 Second street, Thursday afternoon. Games were played with Mrs. Jackie Frizzell, Mrs. Emma Graves, Mrs. Gladys Zentil, who will hold the September meeting Mary Bridick, Mrs. Virginia Ditch and Mrs. Margaret Lee taking part. 75 YEARS

The following items were taken from the files of the Granite City Press-Record.

Thursday, Aug. 25, 1908

Maurice Costello, 11 years old son of Mrs. W. Costello, 2827 Madison avenue, came home from the Douglas County celebration in St. Louis Monday afternoon with a beaming countenance and a lot to tell of his experience at the Illinois State Fair.

For he had met the famous flyer, shaken hands with him and had his picture taken with him. The "wonderful street of Luck" as Maurice describes it, occurred when a newspaper reporter picked him out of a crowd that was gathered to witness the parade and asked him if he wanted to shake hands with Corrigan. Excoriated by the reporter, Maurice went to the flyer's suite at the Hotel Statler, shook hands with him and presented St. Louis officials and then posed for a picture with them. Maurice and his brother went to the celebration with their mother, who waited until his "big moment" was ended.

Harry Mance, ace softball pitcher for the Granite City team, I league now engaged with playing off a round robin series to determine the Championship of the Madison recreation center schedule, hurled his second success no-hit game in the series Tuesday night. He pitched three innings, and defeated the Hub-Towns 3 to 1. He struck out 12 batters and issued one base on balls. His first no-hit victory was against the Union City team last Friday night when the N.Y.A.'s swamped them 15 to 0.

John L. Pepper, Martin, Cardinal baseball player, accompanied by his wife and his wife's sister, will be guests at the evening service of the First Baptist Church next Sunday.

The Martins have three daughters who are expected to be too. Dr. Lemuel Hall, pastor of the church, was minister for the Martin family in Oklahoma City, Okla. He expects to accompany "Pepper" on his annual deer hunt next December along the Mexican border.

Kingsley, 25-month-old son of Mr. and Mrs. Eugene C. Goble of 1660 Third street, Madison, won first prize at the State Fair Bull and Horse Contest which closed last week in Springfield.

The total score was 99.8 per cent perfect, and the award was made from the state title, is \$15 in cash.

The Third Baptist Church met as a body Wednesday for the first time since the dedication of the new church at 26th street and Grand avenue. The congregation, which included that portion of the educational building which is now partially constructed, in which seats had been placed on the ground and lights had been placed on the walls.

Dr. Sisk, pastor of the church, preached a short sermon, after which members of the various departments of the church program spoke briefly of his ministry here and expressed to him their personal regard for him and the children are leaving today for their new home in Cardonville, and Dr. Sisk will take leave following the first service.

GC TAXPAYER COMMENDED FOR OPINIONS, SPUNK

To the Editor:

The answer I received on one of my Forum letters by "Granite City Taxpayer" was so good, and you know he or she is partly right.

They had the spunk to stick up for their alderman, but not the guts as she has. I mean by this, if Mrs. Betine isn't afraid to have her name mentioned through her decisions and rights, why should her follower?

When there are meetings, you can take a short recess usually 10 minutes. If you have business which will take longer you would appoint someone to fill in until you return, such as a protest. If you don't appoint one, then you elect one from the floor. I'm not down on Mrs. Betine's idea. I just don't see eye-to-eye on her last statements and ways of thinking.

Others have said the same. I was glad to see her for aid-arm when she first started. She has many followers who may or may not agree with her, but she represents them in the city.

The thing I liked about "Granite City Taxpayer" is he or she put their opinion in the Forum where everyone has the right. I would like to have seen their names and the variety of names appearing every week.

Anyone else who would like to comment on my comments please, do. We can't all think alike. Maybe you can enlighten me on some of the facts of our city.

PLACES BLAME FOR RUSSIAN STRENGTH AT YALTA

To the Editor:

At the conference at Yalta, Franklin D. Roosevelt sowed the seeds of destruction that bolstered Soviet Russia and helped strength against all allied nations.

of his ministry here Sunday.

Although the Junior Guild of the Tri-Cities was but little over one year old, two of its members were awarded a first, a second, and two third prizes. The exhibition they entered in the all state amateur art exhibit displayed at the Illinois State Fair in Springfield last week.

The successful contestants were Mrs. Lena Sotoff of 1637 Main street, who won first prize with a pastel of a Spanish castle, a second and a third on two watercolor scenes, and Stanley Donoff of 809 Washington avenue, Madison, whose life-size oil portrait of himself, entitled "Self", placed in the professional art exhibit.

This is the second year Mrs. Sotoff entered work in the exhibit. Last year she was awarded five prizes. Donoff's exhibit is the first he has ever submitted.

Gerry Carrington was given a surprise birthday party recently at her home. The party was in recognition of her ninth birthday anniversary. Two dozen were present to celebrate the occasion. They were: Billie Jean, Shirley Jean, Shirley Costello, Geraldine Pieschalski, Dorothy Williams, Wanda, Jean, Letitia Smith, Betty Jackson, Luster Bain, Dickie Baker, Susan, and Josephine. The party was given by Mrs. Carrington and Gerry Carrington.

New Granite City Building Codes Should Stimulate All Construction

While the new plumbing, electrical and basic building codes were adopted by the Granite City council on Monday night, another \$1 million in public housing for the elderly, there should be substantial future benefits to all Granite Cityans.

Modern building codes are synonymous with all progressive cities, and this city should be no exception. In recent years, many new construction materials have been developed, as well as many new methods of building, and cities must provide for their use if they want to be competitive with their share of factories, commercial structures and homes.

A striking illustration of the effect of modern building codes can be seen just across the river in St. Louis. Once the obsolete and antiquated codes were tossed into the trash heap, where they should have been long ago, an amount of new construction started was amazing.

We hope this is repeated in Granite City and, if it is, the 11 aldermen who rushed the new measures through at a special meeting will have accomplished a great deal. In any event, full credit is theirs for removing a critical roadblock to Granite City's progress.

We trust the council also will make revisions in the code from time to time to keep them abreast of all new developments.

Year-Round Park Activities Assured With Ice Rink Purchase

Winter sports enthusiasts are looking forward eagerly to the coming season. For the first time, ice skating will be possible without having to wait on ice-freezing temperatures.

The Granite City Park District has bought—at a bargain price—a 50x100 foot rink and hopes to have it ready for use by the time the skating season opens. The rink, which is being built on the site of the old skating rink, will be installed at Wilson Park.

Heretofore, ice skaters had to depend on nature freezing an improvised pond at the park. While there have been some skating rinks in the past, they have been very temporary. The new rink, which is being built on the site of the old skating rink, will be installed at Wilson Park.

It takes but little imagination to picture their laughing, rosy-cheeked faces, the flashing skates caught in the air, and the sound of the skis on the ice. The rink, which is being built on the site of the old skating rink, will be installed at Wilson Park.

That's a real fun—and it's healthful exercise, too.

Resumption of School Emphasizes Need For Extra Precautions

Once again, the resumption of school calls attention to the need for extra care on the part of motorists, particularly in the vicinity of the school. A record 19,180 youngsters will be returning to grade and high schools in the Quad-Cities this week and next week.

Emphasizing that last year 74 school children were killed in traffic accidents for every 100,000 persons, safety officials issued the following tips to motorists and parents:

1. Local aldermen should make certain that cross walks, particularly those around school areas, are in good condition.

2. Parents should make certain that their children are properly instructed in crossing the street.

3. Parents should make certain that their children are properly instructed in crossing the street.

are clearly marked well before the opening of school.

2. Parents of youngsters attending school for the first time should familiarize themselves with the "safest route to school" and accompany their children to school for the first week or so.

3. Motorists should observe closely the reduced speed limits in school zones. In many cities, school zone speed limits are removed during the summer, and motorists sometimes forget to observe the lower limits when they are restored in the fall.

4. Parents should urge their youngsters to cooperate with the School Safety Patrols, who perform an indispensable service in accident prevention. Since the patrols were organized in the early '20's, the traffic death rate for school-age children has been reduced by 50 per cent.

5. Advise your children to cross the street only at corners where they will be protected by traffic signals and the Safety Patrol.

6. Drive your youngsters to and from school only if absolutely necessary. Making the trip on their own can teach your children self-reliance.

7. Whenever possible, pool rides with neighbors to reduce traffic congestion around schools.

8. Do not double park in the school zone. This creates an accident hazard and prevents the orderly movement of traffic.

9. Advise your children to avoid playing in the street. Most schools provide safe playground areas with adult supervision.

10. Carefully observe the laws governing school buses.

People And Bi-State Area Best Served By Transit Home Rule

A bill in Congress to exempt transit operation of Bi-State Development from Interstate Commerce Commission regulation should be approved, despite minor scattered opposition to it. Such approval should be forthcoming for one reason only: it is in the best interest of the transit riders of the Bi-State area.

Control by a regulatory agency is based on the premise that such an agency protects the public, in this case bus and street car passengers. But we cannot agree that a regulatory agency is needed for the Bi-State transit system. The system is already overburdened by multitudinous duties, would be more responsive to the public welfare here than 10 local men, all easily and readily accessible. Not only do these men have a stake in the progress of this metropolitan area, but the governors of Illinois and Missouri, who appointed them, also have a keen interest and lively concern about this area and its people.

Long delays that are traditional with commerce commissions would have an adverse effect on Bi-State transit operations. This would apply to service improvements as well as fares; we are confident the referees of the transit system would be able to handle the situation. State passengers would not have been possible so quickly under ICC regulations. Nor could route alterations be as responsive to the ever-changing requirements of the area.

The proposed adjustments, increases for some riders and reductions for others, also would be subject to considerable red tape. If anyone thinks these adjustments could not be made under ICC regulation, he might just as well disavow himself. The adjustments, it looks now, will not even violate the anticipated 1 1/2% revenue gain that was predicted earlier. Nor do we think any commerce commission would hold out \$18.00, a fair return on four months operating revenue of \$7,346,302, with a capital investment of \$26,500,000. This is what Bi-State transit cleared during April, May, June and July, and a Washington-based ICC might well have grown much higher fares, nearly comparable to Kansas City's 27-cent fare. That city also is reportedly contemplating a 30-cent basic fare.

Admittedly, public transit is beset with many grave problems; that is why it was possible to unify the area's 15 individual bus firms under Bi-State ownership. Most of these 15 firms were losing money, and it was only a matter of time before some would have folded up, despite cost-reducing service cutbacks.

Bi-State's sole objective in the transit business is to serve this area's citizens as well as the public, and to this end all earnings are dedicated. As witness the latest announcement to air-condition 100 to 125 more buses, including 50 new ones. The agency should be allowed to continue to pursue this policy without outside obstacles or impediments.

Giving until it hurts sometimes applies to the recipient, too.

same time it is rather hard to tell City Park Board District ignore these ideas when Mr. Harold Brown, superintendent, says he has no objection to his very capable staff. The mistakes have been made for an outstanding summer in the past ten years, or so, that the park this season. The City a large sum of money, very fine activities were, "Music and which is still costing them the money.

Menard Chaplain Outlines Prisoner Rehabilitation

A discussion of the role of religion in the rehabilitation of inmates at Menard State Prison was presented to the Granite City Noonday Optimist club at its meeting Thursday.

The Rev. Robert Foppe, Roman Catholic chaplain at the Menard State Prison, explained to the 45 members his duties as a chaplain and the importance of religion in the rehabilitation process.

One should not minimize the role of religion and religion in the rehabilitation of prisoners, said Foppe, the young priest, chaplain of the 2500-man maximum security prison since 1961. "Religious guidance and counseling is a prison chaplain's," said Foppe, "is an important tool to get through to men who are in prison, and to help them to bring their problems into the open, and to help them to solve their problems that have made many men behind bars outcasts from society."

Three local ministers were guests. They were the Rev. David W. Moore, pastor of the First Baptist Church, Rev. Frank Pierce, pastor of the First Methodist Church, and Rev. Robert Baumann, of St. Peter's R.C. Church.

The meeting was held at the Menard State Prison, which is located in the Elks Lodge, starting at 6:30.

Medical Care Meeting For Senior Citizens

Explanation of the Kerr-Mills Act of 1961, which entitles elderly Illinoisans with a limited income and no hospitalization insurance to free medical care, will feature a meeting of the Senior Citizens at 11 a.m. Thursday at the YMCA.

The Senior Citizens organization is beginning its fall program with a membership drive this weekend. The group meets each Thursday, and participants are asked to bring their own lunch.

The program also includes card playing, handicraft and work in ceramics. Meetings usually adjourn about 3 p.m.

Police To Question Suspected Fan Thief

Granite City police are investigating the theft of a 20-inch, pedestal-type fan Friday morning from the home of Maybell Curtis, 2711 Denver street, Wilmette, said a young man was seen to carry the fan from the house and leave in an auto with another man.

The officers placed a suspect in custody, but he was sent to the hospital after jumping out of the back of the car and being charged by a motorcycle patrolman through the alley at the rear of police headquarters. No charges have been filed.

Dr. E. H. Plassmann Dies Unexpectedly

Rev. E. H. Plassmann, 65, whose father was pastor at the St. John Evangelical and Reformed Church here for many years, died unexpectedly at 10:30 p.m. yesterday enroute to a Chicago hospital from his home in Peotone.

Death apparently was caused by a heart attack. He had just returned from a vacation to his charge at the Evangelical and Reformed Church in Peotone where he would have completed his 21st year Thursday.

He served churches previously in Hordick, Ia., and Bloomington, Ill., after his graduation from Eden Seminary in St. Louis.

Dr. Plassmann was born May 6, 1888, in Troy.

Survivors include his widow, the former Helen Graves; a son, Rev. Dean Plassmann of Lake Zurich, Ill., and a sister, Mrs. Helen Koenig of Collinsville.

A brother, Dr. Walter Plassmann, and a daughter, Joy, preceded him in death.

Services will be at 2 p.m. Thursday in Peotone, about 15 miles north of Kankakee.

No Agreement, Iron Workers Still Striking

A strike by Iron Workers Local 329 is continuing today after negotiations with the Southern Illinois Builders Association failed to bring an agreement last week.

Negotiators held a day-long session Thursday and a short meeting Friday night at Bellevue but representatives of both sides told the Press-Record no other meetings are in prospect for the immediate future.

Both John O'Connor, president of the local, and Harold Gangnath, executive director of the SIBA, said negotiators were not far apart but failed to agree on finer points.

"We've gone about as far as we can go," Gangnath said this morning.

Meanwhile the strike by the 20-member union continues to tie up millions of dollars in construction work in a 15-county Southwest Illinois area, including the Quad-Cities.

Federal mediators are expected to try for new bargaining sessions between the groups.

The Iron Workers are picketing at many project sites in the area with other unions respecting the picket lines.

Cement Masons Local 90 had reached agreement with the SIBA last Monday and two councils representing the carpenters ratified new contracts late last week.

The carpenters' three-year contract provides for a total wage increase of 55 cents an hour, with 10 cents retroactive to Aug. 1, and 25 cents beginning next Aug. 1 and 20 cents the third year.

Eugene Elberg, business agent for Carpenters Local 633, said the Carpenters District Council of Madison County and vicinity ratified the contract unanimously at a meeting of 34 representatives Thursday night.

The Tri-County District Council also has okayed the pact. The two councils cover 11 counties and represent about 5000 carpenters.

Record this morning that local bus routes affected are the East Granite line, the McKinley line south to Second street in Madison; the West Granite line south to Second street in Madison; and the Mitchell line from Madison avenue and Nameoki road to Second street and McCambridge avenue.

He added, "In Missouri, the only local short-haul lines operated within the confines of a single community are in Ferguson. Here, two conditions prevailed which were unique and not applicable to the remainder of the system. Hence, the 40-cent round-trip ticket will be made available as an optional form of fare to riders on the short-haul routes within Ferguson from 9 a.m. to 4 p.m. Mondays through Fridays and all day Saturdays and Sundays.

National Sunday School Convention To Start

The National Sunday school convention of General Baptist Churches will be held Tuesday and Wednesday at the Christy Park General Baptist Church, 6220 Gravois avenue, St. Louis.

Rev. Truman Callias, pastor of Mt. Zion General Baptist Church here and president of the National Sunday School Board, has announced that all phases of Sunday school work will be covered in the two day workshops on the subjects of Christian education. Several hundred persons are expected from ten states to share in the instruction.

A zoned fare plan revealed July 30 include a \$12 monthly unlimited ride pass for adults, a 15-cent cash fare for children under 12, five-cent zone charges for each two miles outside the six-mile radius basic zone and a 25-cent minimum cash fare.

November Date Set for Wedding

Mr. and Mrs. John Severine, 919 Iowa street, Madison, are announcing the engagement and forthcoming marriage of their daughter, Miss Judy Severine, to Charles W. Chapman, whose parents are Mr. and Mrs. Earl Chapman, 1620 Fifth street.

The wedding is scheduled for Nov. 23 at St. John Lutheran Church in Granite City.
The bride and groom to be are both graduates of the Madison high school, and Miss Severine was graduated Sunday from Lutheran Hospital School of Nursing, St. Louis. Her fiancé received his Bachelor of Arts and Science degree from Southern Illinois University in Carbondale on Aug. 9.

PARTIES FOR FORMER RESIDENT
Mrs. Clara Wadlow and her niece, Miss Rita Stokely, 2450 Benton street, entertained guests at a "bunch" Sunday morning in honor of the latter's brother, Lt. (jg.) Leslie Stokely, U.S. Navy, of San Francisco, formerly of Granite City, who was here over the weekend on leave.

Others present were Mr. and Mrs. Douglas Stokely and sons, Matthew and Jeffrey, Charles Stokely, Mrs. Walter Padgett, Walter J. Padgett, Bob Roberts and Miss Willie Fay.
In the evening the same group and an additional guest, Miss Judy Carraher, were dinner guests at the Padgett home, 1716 Garfield avenue.

GUESTS AT POELING HOME
Mr. and Mrs. J. W. Poeling, 2416 Edwards street, had as their guests Saturday Mr. and Mrs. Harry Duckworth and children, Karen and Bob. Mr. Duckworth, a chief warrant officer in the U. S. Army, has been stationed at Fort Ord, Calif., but is en route to Germany on a two-year assignment.

VISITING IN FLORIDA
Jerry Hamlett, 2648 Grand avenue, left Friday by plane for Tampa, Fla., to join his wife, Sue, and daughter, Tracy, who are there visiting her parents, Mr. and Mrs. Eldon McDonald. They will remain in Florida about two more weeks before returning to Granite City.

MISS JUDY SEVERINE, a bride-to-be. Her parents, Mr. and Mrs. John Severine, 919 Iowa street, Madison, are announcing her engagement to Charles W. Chapman, a son of Mr. and Mrs. Earl Chapman, 1620 Fifth street, Madison.

Ziatz-Perlick Nuptials Are Solemnized Friday Evening

The wedding of Miss Susan Ruth Perlick, daughter of Mrs. William Jewell, 226 Peffer lane, Fenton, Mo., and Daniel H. Ziatz, son of Mr. and Mrs. Steve Ziatz, 2636 Benton street, was solemnized Friday evening at First United Presbyterian Church.

Rev. David B. Maxton officiated at 7 o'clock and a reception was held at the church immediately afterward.
Kenneth MacClatchey was at the organ and accompanied the soloist, Jack Parks, a fraternity of the bridegroom, as he sang "Because" and "If I Could Tell You."

The bride wore a gown of white peau de soie styled with a low, round neckline edged with pearls and lace. The skirt, with a bustle effect in the back, was trimmed with motifs of pearls and lace. A pouf veil was held in place with a crown of pearls, crystals, and white feathered carnations. Pearl blossoms and variegated ivy leaves were used in the bridal bouquet. The former Miss Perlick was given in marriage by her grandfather, Dr. Ralph T. Aberle of St. Louis.

The attendants were Miss Gloria Ziatz, the bridegroom's sister, and Robin Pratt, a fraternity brother of the bridegroom, of Quincy, Ill. Roy Logan and Jack Buente served as ushers.
The bridesmaid was in an orchid tulle gown with a headpiece of shaded orchid leaves and veiling. She held a cascade of white feathered carnations and ivy.

The couple left after the ceremony for Kansas. They will reside at 1420 North 22nd street, Kansas City, Kan.
The bridegroom was graduated from the Granite City high school and William Jewell College in Liberty, Mo. He is a teacher at Central junior high school in Kansas City. His fraternity is Lambda Chi Alpha.

Miss Barnes, Wm. P. Early Exchange Wedding Vows

White gladioli and stephanotis decorated St. Elizabeth's Catholic Church Saturday afternoon for the wedding at 2:30 of Miss Patricia Joyce Barnes and William Patrick Early. The Rev. John Franklin performed the ceremony.

The bride is a daughter of Mr. and Mrs. Alvin Tilford Barnes of 2515 Edison avenue. Mr. Barnes is executive director of the Associated Retailers.

Mr. Barnes gave his daughter in marriage. Her gown of Chantilly lace, classic in design, was made with a high sabina neckline edged with hand-embroidered lace medallions. Long tapering sleeves were set into the bodice and the very bouffant skirt was worn over hoops and crinoline. Attached at the back were wide lace panels, trapeze fashion, which hung gracefully to the edge of the chapel train. A corset of seed pearls and bridesmaid sequins held in place the bride's fingertip veil of French illusion and she carried a nosegay of white daisies and stephanotis.

A maid of honor, Miss Rita Rensing, two bridesmaids, Miss Brenda Rees, of Wood River, and Miss Anne Barnes, a sister of the bride, and two little flower girls, Peggy and Debby Barnes, nieces of the bride, preceded the bride and her father to the altar.

The honor attendant and bridesmaids were dressed alike in white embroidered eyelet over white silk with yellow silk piping at the neck, sleeves and waist and small yellow bows in the back. The dresses had A-line skirts. They carried nosegays of yellow and white daisies intermingled.

The little flower girls' dresses were miniature copies of the older attendants with the exception of wide yellow sashes. They carried white baskets filled with white and yellow daisy petals.

For her daughter's wedding Mrs. Barnes chose a dress of beige lace over satin, and a poscock blue hat and accessories. Mrs. Early, the bridegroom's mother, was in blue lace over satin with a blue hat and matching accessories. Both had daisy corsages.

Immediately following the ceremony Mr. and Mrs. Barnes entertained approximately 40 guests, members of the wedding party and their families, at a luncheon in their home. A reception was held later at the Elks Club.

When they return from a short trip the newlyweds will live at 1524 Pontoon road. The former Miss Barnes is a junior student at Southwestern Illinois University Residence Center in Alton where she is an art major. Mr. Early attended SIU in Carbondale and is presently employed in East St. Louis.

Games provided entertainment and awards were made to Mesdames Alice Mitchell, Jessie Packberry, Dorothy Foley, Juliana Cruse, Cora Cruse, Maxine Abrams, Cecelia Cruse, Thelma Pettilla, Dorothy Green, Janice Hildreth, Leona Kutey and Marcia Davis. The special prize went to Mrs. Jeanette Doty Morris.

Others present were Mesdames Mildred Wise, Wanda Reed, Irene Todd, Zula Cruse, Elsie Thomas, Mamie Gipson, Helen Atwood, Esther Thomas, Betty Matherlin, Roberts Lewis, Vesta Kowus, Amanda Mitchell and Tula Doty. Misses Susan Doty and Brenda Barger.

Refreshments were served, bows and side panels adorned with lace motifs. Three tiers of organza, in the back edged in scalloped lace formed a train. A high jeweled crown held in place a fingertip veil of illusion and the bride carried a bouquet of white gladioli, combined with lilies of the valley and centered with a cocktail orchid.

The dresses of the attendants were made alike of chiffon over tulle. They had semi-controlled floor-length skirts, scoop necklines and off-shoulder straps decorated with roses at the left side of the waistlines. Clusters of roses and tulle veiling formed their headpieces.

The maid of honor was in mint green with a bouquet of yellow gladioli, while Mrs. Moat wore pale gold and held a bouquet of tangerine gladioli.

A frock of mint green chiffon, floor-length, was worn by the little flower girl, Karen Wojcik, a niece of the bride. Her headpiece matched the dress and she held a basket of yellow and tangerine petals.

The bride's mother appeared in a pale pink lace sheath with a small pink veiled hat. Mrs. Abernathy, the bridegroom's mother, wore a deep blue lace dress with a hat and veiling of the same shade. Both had cymbidium orchid corsages.

Philip Abernathy was his brother's best man, and Gary and Michael Bair served as ushers.

White gladioli and pom poms adorned the church altar and white ribbon bows marked the family pews.

A reception was held after the church service at the home of the bride's parents, and the couple later for a honeymoon in the Missouri Ozarks. They will be at home after Aug. 28 at 2039 Cleveland blvd.

The bride, who is employed as a secretary by a St. Louis firm, is a graduate of the Granite City high school and is a member of the National Honor Society. Mr. Abernathy is employed at the Granite City Steel Co.

MRS. MICHAEL JONES, whose wedding took place Saturday afternoon at the parsonage of Second Baptist Church. She is the former Jean Buckingham, a daughter of Mr. and Mrs. Lloyd Buckingham, 2810 Denver street.

Jones-Buckingham Nuptials At Second Baptist Parsonage

Miss Jean Buckingham, a daughter of Mr. and Mrs. Lloyd Buckingham, 2810 Denver street, was married to Michael Jones, a son of Mrs. Dorothy Jones, 3115 Wayne avenue, and the late Richard Jones, Saturday afternoon at the parsonage of Second Baptist Church.

The pastor, Rev. W. L. Showers, heard the vows of the couple in the presence of the immediate families and a few close friends.

The bride wore a Chantilly lace dress. The bouffant ball-train-length skirt was made with a double tier in the front with a rose pickup and tiers of lace cascading down the back. The bodice, with bracelet-length sleeves, had a scalloped neckline and a veil of hand-hemmed, scalloped lace was secured to a crystal and seed pearl coronet.

The bride carried a cascade of stephanotis and variegated ivy with a removable corsage. A twin sister of the bride, Mrs. Dean Burcham, was matron of honor, and Joseph Groblich served Mr. Jones as best man.

Mrs. Burcham wore a seafaring green dress of sheer organza. It had a scoop neckline, brief cap sleeves, a cummerbund of lace and the skirt had a deep French hemline. She wore a matching open crown hat bordered with deeper green flowers and carried a basket of white pom poms and ivy centered with a yellow corsage.

The bride and groom are employed in St. Louis. After a honeymoon trip they will be at home at 2808 Denver street.

Shower Honors Bride-To-Be

Miss Janice Reed, who will be married Sept. 14 to Walter Wise, was honored Thursday evening at a pre-wedding party and miscellaneous shower given by Mrs. Lloyd Lewis and Mrs. Peggy Barger at the Lewis home, 3514 Johnson road.

Yellow and green were the colors used in the party appointments. A large yellow and green umbrella adorned the gift table and small umbrellas formed a background for the table. Favors were miniature umbrellas of yellow and green.

Games provided entertainment and awards were made to Mesdames Alice Mitchell, Jessie Packberry, Dorothy Foley, Juliana Cruse, Cora Cruse, Maxine Abrams, Cecelia Cruse, Thelma Pettilla, Dorothy Green, Janice Hildreth, Leona Kutey and Marcia Davis. The special prize went to Mrs. Jeanette Doty Morris.

Cutlich was an All-American tackle at Northwestern University where he was graduated in 1940 with a degree in history. He joined Granite City Steel in 1945 as a salesman and became a supervisor of blast furnace sales and a product sales manager before becoming assistant sales manager in 1956.

K. Of C.'s Tell Initial Plans For Development

Tri-City Council 1098 at the Knights of Columbus discussed preliminary proposals for a long-range building and development program during a regular meeting Thursday night.

Acquisition of a site, sometime in the future, is to be the first step in the development. Initial proposals include construction of club and ball facilities, a swimming pool and ball diamond.

To be added later, if possible, will be a civic auditorium and a nine-hole golf course, according to council officers.

During the meeting the council was challenged to a softball game by the Columbian Squires at 2 p.m. Sept. 1. The location is to be announced. Announcement also was made of a Squires card wash held Saturday on the K. of C. lot.

Final plans were made for a social event held Friday evening for representatives of all K. of C. councils in Madison county. Members of the Springfield council were guests.

The meeting was conducted by James Worthen, grand knight. Refreshments were served following the session.
